MEMORANDUM FOR: Deputy Director (Support)

SUBJECT : Funds for JOT Program

1. This memorandum contains a recommendation submitted for DCI approval. Such recommendation is contained in paragraph 5.

2. Attached is a request for an increase in the allocation of funds for the Office of Training. This request is necessary because of the JOT Program which was approved at a ceiling of [] positions by the DD/S in connection with the FY 1958 budget and provided funds for only [] positions. At that time, the Office of Training was instructed to continue recruitment and also to study the problem of reducing the time individual JOT's spent in the program and on the JOT allotment.

3. During FY 1978 the on-duty strength of the JOF Program has been as follows:

| | | |
|-----------|------|-------|
| July | 1957 | |
| August | 1957 | |
| September | 1957 | |
| October | 1957 | |
| November | 1957 | |
| December | 1957 | |
| January | 1958 | |
| February | 1958 | |

25X9A2

This represents an average of [REDACTED] positions in excess of that supported by the FY 1958 budget.

4. The Office of Training has absorbed within their Operating Budget reductions recommended in their estimates for the Language Training and Film Production Programs and [REDACTED] operations. It is not believed that the costs of the JOT Program can be also absorbed nor, at this time, can funds be made available from elsewhere in the FY 1958 budget.
